Keeping our student information up to date

If any **student/family information has changed since September** (for example: new address, no land line, new phone number or name) please let the office know so that we can keep our records up to date.

Important information - Christmas Play

Miller will have a Christmas play this year but not in person. The play titled "Holiday Zoobilee" will be directed by Miss Tytlandsvik. It will be taped and aired on YouTube over the Christmas holidays. Students will need signed parental permission to be a part of this performance. ***Video Permission forms*** have been sent out to parents already (pink form). Please make sure you have signed it with your child's/children's names on the form AND sent it back to school. Without this form signed, your child cannot participate. Any questions, feel free to email or call the office.

Library Storytime

Each Day 2, Kindergarten and Mrs. Boake's Grade 1 /2 students are invited to go to the Library for Storytime. Mrs. Coleman, our Library Tech, reads the students wonderful stories from the latest children's authors.

Looking for a Christmas gift?

Miller School has string backpacks for sale. They would make wonderful gifts for a cousin or for that friend that is hard to buy for. We have 2 prints: Black backpack with Miller School "Great Beginnings with red apple" and Red backpack with black Miller Redhawks logo. They are \$7.00 each. If you wish to purchase backpacks just send an envelope to the school office with the style of backpack, money and student name. If it is a surprise then please feel free to call the office (306.728-3961) or send an email (Shaleen.kruzer@gssd.ca).

There may be cases where there is only 1 item ordered and the student is older, then it may go home with them (only with parents knowledge but not always).
