Kindergarten Fall 2022/2023 (or new family to Melville)

Miller Elem School is now compiling their Kindergarten list for Fall 2022. If you have a child born in 2017, live on the west side of Melville (500 block or higher) or are a rural resident, and are planning on attending the Public system, Miller Elementary School is accepting registration.

If you know of anyone who has a child ready for Kindergarten in the Fall (or a new family to Melville living within the Miller boundary or is rural), please let them know they can phone Miller Elementary School (306-728-3961) or go to the GSSD website to register online for the 2022/2023 school year.

Kindergarten Orientation for Fall Kindergarten students

This year Miller will have an in-person Kindergarten Orientation for children starting Kindergarten in the fall 2022. The Orientation day is scheduled for May 17th, 2022. A letter will go home to Fall Kndg families at the end of April with information about the Orientation day.

There will be no classes for this years Kindergarten students on this day only.

March Book Madness

March Book Madness has come to an end! We all enjoyed reading, talking, voting and being excited about books! Thank you for participating with your child and joining in watching videos and voting. The winner was “The Little Butterfly That Could”. Our Miller SCC sponsored every family to get a book. An order sheet went home for each family to make their selection of any of the 8 books featured in March Book Madness. Many thanks to our Miller SCC for such a generous donation and we hope each family will enjoy their book for years to come.

Bar-B-Que Fundraiser

Miller will be having a Bar-B-Que Fundraiser around the May long weekend with the company *Just Bake It*. Along with all the favourites, there will be a selection of meats ready for the outside cooker. 😊 All products arrive frozen and most are supplied by Sisco. Depending on the product, Miller will receive \$5/\$8-\$10 per product sold.

Fundraiser packages will go out (tentative) with the oldest sibling on **Friday, May 13th**.

Packages will come back to school on **Wednesday, May 25th**. If for any reason you cannot bring the order back on the Wednesday, please let the school know. A note will go home letting the families know when our Miller order is ready to be picked up.
