Cross Country

Cross Country has wrapped up for the year. It was a lot of fun with the team participating in two cross country meets.

A wind-up pizza party will be held for everyone on the team. Special thanks to Mr. Lechner and Miss Stoll for organizing and coaching the team.

Terry Fox

On Friday, September 23, Mr. Lechner organized and participated in a relay from Miller School all the way to MC Knoll in Yorkton. The relay included Stuart Wilson, Sharon Roach and Michael Wilk from Melville Comprehensive High School. Darren Wandy drove the pilot vehicle and local RCMP Officers also accompanied them on their journey.

THANK YOU to all of our Miller families for your generosity! We raised \$450 for the Terry Fox Foundation! Over \$3500 was raised by the relay team.

For two weeks our Miller students did laps around the playground to **"Try Like Terry"**. Students spent their outdoor recess time running laps around the schoolyard to collect popsicle sticks. At the end of the two weeks, popsicle sticks were turned in for prizes and these dedicated students were recognized at our September assembly for their hard work.

Weather

With Fall here, we can expect the weather to become cooler. We are asking that the students dress accordingly. It is better for the student to have more clothing at school than not enough. When in doubt, think layers.
