**Take Me Outside Day**

Wednesday, October 18, was Miller Elementary’s “Take Me Outside Day”. As part of the nationwide initiative, Miller School is proud to be an active participant in promoting outdoor learning and nature connection. Take Me Outside is a non-profit organization dedicated to encouraging students and educators to embrace the beauty of the great outdoors as an extension of the classroom.

Here at Miller, we acknowledge that learning goes beyond the four walls of a classroom. Our students were thrilled to share and participate in outdoor learning. The Take Me Outside Initiative encourages children and youth to spend more time outside, fostering a healthier balance between screen time and outdoor activities.

These are a few pictures from our fun day of outdoor learning!
