### ***Supply List for Fall 2024***

Miller Elem School provides their K and Grades 1-6 students with the basic school supplies. The cost is based on the student using a realistic amount of supplies for the year. The items supplied by the school will not be on the student supply lists.

*If parents feel their child needs more than the allotted school supplies then it is the parents choice to bring extra supplies (ie: markers, pencil crayons, crayons, etc) with their child's name on the package.*

There will be a one-time nominal fee at the beginning of each school year (**due the first day of school**) to cover the cost of the agenda and supply cost.
