Willow Awards

Saskatchewan Young Readers' Choice Awards is a volunteer-run, non-profit, registered charity begun in 2001. The mission of SYRCA – Saskatchewan Young Readers' Choice Awards – The Willow Awards, Inc. is to promote reading and celebrate Canadian literature. Each year, Saskatchewan children and youth vote for Willow Award recipients from finalists nominated in three award categories.

The three categories were established to encourage participation by all children, regardless of the level at which they are reading. They include:

- The Shining Willow Award for books written for young readers
- The Diamond Willow Award for books written for upper elementary readers in grades 4 to 6
- The Snow Willow Award for books written for readers in grades 7 & up

Participation in the Willow Awards is free to Saskatchewan children and youth. They may vote for their favourite book in any category in which they have read the minimum number of books required. Individuals may vote. Teachers, librarians or teacher-librarians can submit tallies of votes made in their buildings.

Here at Miller, we had 3 students who chose the winning book for the Willow Awards. Rhett Mierke, Illyanna Smith and Max Sweatman all chose the winning book *The Wolf Suit* by Sid Sharp in their "Shining Willow" Category.
