Supply List for Fall 2025

Miller Elementary School provides Kindergarten and Grades 1-6 students with the basic school supplies. The cost is based on the student using a realistic amount of supplies for the year. The items supplied by the school will not be on the student supply lists.

If parents feel their child needs more than the allotted school supplies then it is the parents choice to bring extra supplies (ie: markers, pencil crayons, crayons, etc) with their child's name on the package.

There will be a one-time nominal fee (\$35.00 for Kindergarten) at the beginning of each school year (***due the first day of school***) to cover the cost of the supplies.
